GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN; 3d July 1819.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, 25th June 1819.

G. O. BY GOVERNMENT.

1. The Right Honorable the Governor in Council is pleased to establish the following Regulation in the Military Pay Department.

2. The Pay and Allowances of the whole, or such part, of each regular Corps of Horse and Foot Artillery, Light Cavalry, and European and Native Infantry as may be present at their Regimental or Battalion Head Quarters at the period of issuing Pay in each month, are to be drawn, equally in the Field as in Garrison, by the Quarter Masters of European Corps, and Interpreters and Quarter Masters of Native Corps, in one General Abstract (including their own, the Adjutant, and Surgeon's Establishment) accompanied by an Abstract Muster Roll—both documents being countersigned by the Commanding Officer.

3. The General Abstracts are to be framed from the Regimental and Battalion Books, in which the separate Pay Abstracts of Troops, Companies and Establishments, are to be recorded as heretofore—and the Abstract Muster Rolls from the detailed Muster Rolls of Troops, Companies, &c., which documents are to be delivered to the Quarter Masters, and Interpreters and Quarter Masters respectively, for that purpose.

4. The General Pay Abstracts, and Abstract Muster Rolls thus prepared, accompanied by the detailed Muster Rolls of Troops, Companies and Establishments, and all other vouchers prescribed by the existing Regulations, the separate Pay Abstracts of Troops, Companies, &c. excepted, being presented for payment, are to be discharged on the receipts of the Quarter Masters and Interpreters and Quarter Masters respectively, if found correct.

5. The Troops, Companies, or Details, which may be absent from Regimental or Battalion Head Quarters when the Pay is issued—as also all individual Officers when absent, whether on Staff duty or otherwise, are to be drawn for as hitherto, on separate Abstracts, viz. the former by Regimental Officers Commanding, or in Charge of Troops, Companies, &c., or by Commanding or Staff Officers of Stations—the latter by the Officers themselves.

6. The Family Certificate Department of Corps is transferred to Quarter Masters and Interpreters and Quarter Masters, respectively, who are accordingly authorized to draw the established allowance of Rupees 35 per month on that account, under the circumstances in which it is at present payable to Adjutants of Corps.

7. Charges for Compensation in lieu of Rice, and of Clothing and all allowances payable at the Head Quarters of Corps, to be drawn by the Quarter Masters, and Interpreters and Quarter Masters respectively, who are to be considered as charged with the duty of regulating and conducting the Pay department generally; the Vakeels of Corps being attached to, and forming part of, their Establishments in that department.

8. The Governor in Council is pleased to authorize an increase of Rupees 50 per month to the present allowances of Quarter Masters, and Interpreters and Quarter Masters, to cover all expenses in the Pay Department, (Peace and Field) including Writers, Stationery, the Carriage of Books and Records, &c, but exclusive of the Family Certificate allowance abovementioned.

9. It being the intention of the Governor in Council that the principle, laid down in page 336 of the Code of Pay Regulations, Paragraph 80, shall apply to the General Abstracts of Quarter Masters, and Interpreters and Quarter Masters, the retrenchments which may be made therefrom are to be in the name of the Officers on account of whose Troops, Companies, &c. the objectionable charges may have been included; and the sums retrenched are accordingly to be recovered from those Officers by the Station Paymasters, under the usual restrictions, by Stoppages from the Abstracts in which their Pay and Allowances for the subsequent periods may be drawn.

10. With respect to the Body Guard, the Corps of Pioneers, the Veteran Corps, Extra Battalions, &c. to which neither Quarter Masters, or Interpreters and Quarter Masters are attached—the duties of the Pay department in such Corps are to be executed by the Adjutants, who are authorized to draw the allowances established by the foregoing provisions for Quarter Masters and Interpreters and Quarter Masters respectively.

11. In establishing the above Regulations the Governor in Council desires it may be understood, that altho' Officers Commanding, or in Charge of Troops and Companies, and the Regimental Staff, are to be held answerable for retrenchments arising from irregular or improper charges included, on their account, or that of those under their immediate Command or Charge, in the General Abstracts; it is notwithstanding to be considered the special duty of the Quarter Masters, the Interpreters and Quarter Masters, and Adjutants conducting the Pay department of Corps, to make themselves minutely acquainted with the Regulations of the Military Pay Department and to reject from their General Abstracts all irregular charges which Officers less conversant in those Regulations may include on account of themselves, their Troops, Companies or Establishments.

12. Commanding Officers of Corps are accordingly to report to His Excellency the Commander in Chief for the information of Government, the cases of any Officers conducting the Regimental Pay Department, whose Abstracts may prove to be generally irregular—the frequency of retrenchments therefrom being the criterion by which the official conduct of those Officers in the Pay department is to be estimated.

13. The annexed Forms of General Abstracts and Abstract Muster Rolls are established, and are to be applicable to the Pay and Allowances due on the 1st of August next, from which date the extra allowances hereby authorized are to commence, the Quarter Masters, Interpreters and Quarter Masters, and Adjutants conducting the Pay department of Corps being authorized to assume the designation of Regimental or Battalion Paymasters in their Signatures to Pay Abstracts and their Communications and Correspondence with Station Paymasters and Departments of Account and Audit; and they are to be addressed accordingly.

G. and G. C. B. &c. &c &c. Commander in Chief of all the Forces in India, and bearing date the 24th day of April 1819, for the trial of Seeta Ram Panre, Havildar in the Burdwan Provincial Battalion, and all such Prisoners as shall be brought before it.

CHARGES.—Seeta Ram Panre, Havildar Burdwan Provincial Battalion, confined by me on the following charges, viz

1st. For disobedience of my orders on the morning of the 29th March 1819, in not quitting my presence when ordered so to do, before all my office people, and for expressing himself in a disrespectful manner, in an unbecoming attitude, when ordered a second time to do so.

4th. For uttering most improper language on being placed in the Guard, thereby shewing a dangerous example to the Sipahees of the Burdwan Provincial Battalion, and of which he was a Havildar, and in breach of the Articles of War.

ZILLAH KUTUK,
9th May 1819

(Signed) E. R. BROUGHTON, Captain, 9th Rt. N. I.
Supt. Jugt. New Road.

FINDING.—The Court having attentively considered the evidence for the prosecution, together with what the Prisoner has urged in his defence, and the evidence adduced by him, in support of it, are of opinion that the Prisoner, Seeta Ram Panre, Havildar in the Burdwan Provincial Battalion, is guilty on the 1st Charge, of disobedience of orders in not having immediately quitted the room when ordered to do so, and of conducting himself disrespectfully towards Captain Broughton, both in his language and attitude, while in the room.

On the 2d Charge, the Court acquit the Prisoner of mutinous conduct, but find him guilty of insubordinate conduct in holding up his arm before a crowd of people and shaking his fist at Captain Broughton, and telling him in a threatening manner, that he would bring him before a Grand Jury in Calcutta, or words to that effect.

On the 3d Charge, the Court acquit the Prisoner of mutinous conduct, but find him guilty of insubordinate conduct in shaking his fist at Captain Broughton, after being ordered into confinement, and uttering the same expressions, viz I will bring you before a Grand Jury in Calcutta, or words to that effect.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief regrets that he could not without injury to discipline, comply with the Court's recommendation for a remission of the Sentence.

All that presented itself in extenuation of the Prisoner's insolent demeanor, has evidently been taken into consideration, (and justly so) by the Court, or a far different judgment would have been passed.

The Commander in Chief concurs in the allowance made for the Prisoner's irritation, under what he deemed unjustifiable insult received from Captain Broughton; whose conduct on the occasion is hereby marked with his Lordship's serious reprehension. But the Commander in Chief regards the Sentence as referring to that period in the Prisoner's behaviour which was antecedent to any provocation; and, as the Prisoner's tone and manner appear to have been at that time decidedly insubordinate and disrespectful, the penalty is lenient as applied exclusively to that part of the transaction.

By Command.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, *25th August* 1819.

G. O. By the Commander in Chief.

The Commander in Chief has much gratification in publishing a Letter from Major General Sir Henry Torrens, K. C. B. Military Secretary to His Royal Highness The Duke of York, and His Excellency has consequently directed a Letter to be addressed to every Officer who served under his personal Command on the 21st December 1817, and whose Name was submitted to His Royal Highness, to receive the honorary distinction of a Medal.

Copy of a Letter from Major General Sir Henry Torrens, K. C. B. Military Secretary, addressed to His Excellency Lieutenant General Sir Thomas Hislop, Bart. and G. C. B. &c. &c. &c. dated Horse Guards, 15th October 1818.

I have the Commander in Chief's Commands to acknowledge the receipt of your dispatch of the 7th January last, addressed to the Adjutant General, transmitting a Return of Officers personally and particularly engaged in the Battle of Mahidpoor, whom, under an idea of the continued existence of a system of granting Medals of distinction, you consider worthy of bearing badges commemorating that glorious event.

I have His Royal Highness's Commands to assure you, that he appreciates in the highest degree the bravery and discipline which so signally distinguished Sir John Malcolm, and all the Officers under your Command in the Battle of Mahidpoor, as well as the valor, ability, and promptitude, with which you directed their zeal, in leading the Troops, to the accomplishment of a splendid achievement, which has mainly served to the overthrow of a confederacy that aimed at the subversion of the British Power in India; but it is incumbent upon His Royal Highness to acquaint you, that when the Military Order of the Bath was extended, His Majesty's Government thought proper to decide for reasons which it is unnecessary here to detail, that the system of granting Medals of distinction should be abolished, and under these circumstances His Royal Highness is reluctantly compelled to explain the impossibility of his giving effect to the wishes you have expressed in regard to the Officers whose names you have transmitted.

You will find, however, that the Order of the Bath, as far as its statutes and regulations could permit His Royal Highness and the President of the Board of Control to recommend the grant of it, has been conferred on the Officers of the King's and the Honorable Company's Service, who have been principally distinguished under your Command, and should the circumstance of your having recommended the grant of Medals of distinction, have been made known to the Army, His Royal Highness trusts you will give such explanation to the Officers, who were under your Command at Mahidpoor, as may convince them that this kind of distinction is withheld in compliance with General Regulations, and not from any failure in the due appreciation of their distinguished conduct.

I have the honor to be,
Sir,
Your most obedient,
Humble Servant,
(Signed) H. TORRENS.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS.

CHARGE—Exhibited against Mr. Surgeon Thomas Hart Davis of the 18th Regiment N. I. by John Douglas White, Acting Member of the Medical Board.

For scandalous, infamous conduct unbecoming the character of an Officer and a Gentleman, in calumniating me, his Superior Officer, in the manner following, viz.

1st. For having on Sunday, the 20th June 1819, in the presence of the Reverend Morgan Davis and the Reverend William Roy, falsely asserted that I had offered a bribe to Doctor Watson, for the purpose of inducing him to retire from the Medical Board.

2d. For having at the time and place abovementioned, falsely asserted, that the offer of a bribe, was reiterated by me by my tender to Doctor Watson, First, of a sum equal to six months Pay. Secondly, of a sum equal to twelve months Pay; and Thirdly, of a sum equal to eighteen months Pay.

3d. For having when questioned respecting the authenticity of the foregoing assertions at the time above mentioned, stated that they were not the offspring of idle report, but matter of fact, which had been communicated to him, by a Member of Doctor Watson's family.

Lieutenant General.

The Commander in Chief cannot publish the foregoing Extracts to the Army, without animadverting on the Charge exhibited against the Prisoner, the expression of "Infamous, and scandalous conduct" is so repugnant to every honorable mind, and carries with it such painful sensations, until a full and honorable acquittal is pronounced, that it never should be resorted to as long as there is even a shadow of a doubt that the necessary proof can be produced to establish unquestionably, a Charge so serious in its consequences and effects.

The Commander in Chief directs, that Surgeon Thomas Hart Davis of the 18th Regiment Native Infantry, be immediately released from his arrest, and His Excellency feels it a duty he owes to the Army, not only to express the deep regret he has experienced in the exhibition of such Charges against that Officer, but to declare that he will not fail on any future similar occasion to hold every Officer responsible to the fullest extent of his authority, who may exhibit Charges so seriously affecting the character of another, without establishing them.

The following Extract from the confirmed Proceedings of a General Court Martial held in Camp at Nagpoor, on Monday, the 19th day of July 1819, by virtue of a warrant from Lieutenant Colonel H. S. Scott, c. b. Commanding Nagpoor Subsidiary Force, under authority from His Excellency Lieutenant General Sir Thomas Hislop, Bart. & G. C. B. CRIME.—Abdul Cawder, Havildar 2d Battalion 13th Regiment N. I. ordered into close confinement by me, for disobeying positive orders, on the 20th June 1818, which he had received the day before from his Commanding Officer, Letchman Sing, Subadar of the same Corps, in the following instances.

1st.—For ordering the Wicket of the South Gate of the Hill Fort of Trimbuck to be opened contrary to the positive orders which he had received on the 19th June 1818, and knowing at the same time that the Enemy had been collected in considerable force within a few miles of that entrance.

2d.—For cowardly conduct, carrying with it an appearance of having betrayed the service and charge he was placed in, by not using his utmost exertions at the head of his Guard after the Sentry had been killed, by which conduct the Fortress of Trimbuck would evidently have fallen into the hands of the Enemy had it not been for the gallant and timely exertion of the Naigue of the Guard, "Mootoosawmy."

OPINION and SENTENCE.—The Court having attentively considered the whole of the evidence, together with the Prisoner's confession of the first instance of the Charge, are of opinion that he, the Prisoner Abdul Cawder, Havildar 2d Battalion 13th Regiment N. I. is guilty of the Charge as exhibited against him, which being in breach of the Articles of War, they do therefore sentence him to be dismissed from the Honorable Company's Service.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 18th October 1819.

G. O. By the Commander in Chief.

The following Extract from the confirmed Proceedings of a Native General Court Martial held in Fort St. George, on Monday, the 23d day of August 1819, by order of His Excellency Lieutenant-General Sir Thomas Hislop, Bart. and G. C. B. Commander in Chief, &c. &c. &c. and of which Subadar Shaik Meerah of the 1st Native Veteran Battalion, is President, are published to the Army.

CHARGE.—Jemadar Mahomed Husman, 3d Troop 5th Light Cavalry, placed in arrest by order of the General Court Martial of which Major General Lang is President, for "gross and wilful prevarication before that Court when giving Evidence on the 29th and 31st Instant."

Court Martial Room, Fort St. George, 31st May 1819.

By order of the Court.
(Signed) J. GIBSON, Captain,
Officiating Deputy Judge Advocate.

By Order.
(Signed) E. W. SNOW,
Deputy Adjutant General of the Army.

FINDING.—The Court having fully considered all the evidence adduced in support of the prosecution, and also what the Prisoner, Jemadar Mahomed Husman (late of the 5th Regiment Light Cavalry and now of the Cavalry Recruiting Depôt), has urged in his defence, is of opinion, that he is guilty of that part of the Charge accusing him of "gross and wilful prevarication before that Court on the 31st Instant," but it acquits him of prevarication on the 29th May 1819.

SENTENCE.—The Court having found the Prisoner guilty as above specified, it doth sentence him, Jemadar Mahomed Husman, to be dismissed from the Honorable Company's Service.

(Signed) E. SMYTHE, Captain,
Officiating Deputy Judge Advocate.

(Signed) In Persian Character.
SHAIK MEERAH, Subadar,
and President.

APPROVED AND CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

The Commander in Chief has approved and confirmed the Sentence passed on Jemadar Mahomed Husman of the Cavalry Recruiting Depôt, but in consideration of his former good character, and the recommendation of the Court, is pleased to remit the punishment, and directs him to return to his duty.

His Excellency deems it expedient to advert to the Prisoner's defence, on which he pleads the alarm and confusion into which he was thrown by being examined before so many Officers, such a pretence can never be admitted, as every Officer by the time he obtains that Rank, ought to be fully aware of the obligation he is under, to answer every question which may be put to him before a Court of Justice with due regard to truth, and the Commander in Chief desires, that this Order may be most fully explained by Officers Commanding Corps to their respective Native Officers.

The Native General Court Martial of which Subadar Shaik Meerah is President, is dissolved.

2.—Officers under the above circumstances are in future to be entitled to three months full Batta, including travelling Batta, calculated from the date of leaving Camp, provided they remain so long absent, and that their Corps or Departments continue on Field Service,—on their return to their duty, they are further permitted to draw travelling Batta, according to the distance they may have to proceed to join.

G. O. By Government.

1. The Right Honorable the Governor in Council is pleased to publish for the information of the Army, the following Extract of a General Letter from the Honorable the Court of Directors in the Military Department, dated 27th November 1818.

Para. 2d. " Our attention has lately been directed to the subject of the Pensions granted to Officers for Wounds received in action, and we find it necessary to revise our orders on that head, in so far as respects the continuance of those Pensions in certain cases.

3d. In all those instances where the injury is of a permanent nature, as for example, where the Party has actually lost an Eye or a Limb in action, or has suffered such *permanent* injury as may be equivalent to the loss of an Eye, or a Limb, from a Wound received in action, there can be no doubt of his being entitled to the Pension for life, conformably with the spirit and letter of His Royal Highness The Prince Regent's Regulations, bearing date the 20th June 1812--but cases may occur where, though at the expiration of a year and a day after the Wound has been received, the period at which those Pensions commence, the Individual may to all appearance have sustained an injury deemed equal to the loss of a Limb, yet by a skilful medical treatment and the efforts of a sound constitution, he may in a few years be restored to his pristine bodily strength.

4th. In instances of this kind when we consider the liberal scale of allowances granted to the Company's Officers, it is impossible for us to consent to continue the Pensions, and we therefore direct, that in all cases of recovery, if within three years from the injury originally sustained, the Pension shall be discontinued.

5th.—In order that this Resolution may be strictly attended to, and that a careful distinction may at the same time be made between such cases, and those of Officers labouring under permanent injury from Wounds received in action, and equivalent to the loss of an Eye or a Limb, we direct that every Officer of our Army receiving a Pension for Wounds, shall be examined at the expiration of three years from the time of the Wound being received; by two Medical Practitioners who shall certify upon honor, the actual state of the Wound and its remaining effects, to enable you to judge whether, in conformity with the instructions now conveyed to you, the Party be justly entitled to a continuance of the Pension, and we further direct, that you will transmit to us regular reports of all such examinations.

6th.—Application having been made from some of our Officers in this country for an increase of the Pensions granted to them, in proportion to the advanced Rank they have received, conformably with a Regulation adopted in His Majesty's Service, we have to inform you, that, that Regulation has been discontinued in His Majesty's Service, as you will observe on perusal of the Circular Letters of the Secretary at War, dated 30th June and 25th August 1817—of which we herewith transmit you Copies.

7th.—And being of opinion that all the circumstances of our Service duly considered, especially the advantages derived by the Company's Officers from the liberal allowances they receive in addition to their Pay, the Pensions

granted, or to be granted, to our Officers under the Regulations which accompanied our despatch of 28th March 1815, are sufficient in amount, we do not think proper to accede to the recommendation contained in the 257th and 258th Paras. of your Letter of 29th December 1815, for an augmentation of those Pensions.

2. The Commander in Chief is accordingly requested to require and direct, that the Medical Certificate prescribed in the 5th Para. of the Honorable Court's Letter, shall be transmitted to His Excellency's Head Quarters forthwith, in those cases in which the period of 3 years may have already elapsed—and in all others, when that period shall have expired by all Officers to whom the Honorable Court's orders have now, or may hereafter have reference, and His Excellency will be further pleased to submit those documents when received, for the consideration of Government and ultimate information of the Honorable Court of Directors."

OPINION AND SENTENCE.—The Court having maturely weighed and considered the evidence on the part of the prosecution on the different Charges preferred against the Prisoner, as well as what he, the Prisoner, Assistant Surgeon Charles Jones, 2d Battalion 19th Regiment Native Infantry, has adduced in his defence, form their Opinion as follows.

With respect to the Charges marked No. 1, the Court acquit the Prisoner, Assistant Surgeon Jones, of the 1st Charge, which they consider as frivolous and vexatious.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 2d Charge, but not to the full extent.

The Court acquit the Prisoner, Assistant Surgeon Jones, of the 3d Charge, as the evidence does not appear of sufficient weight.

The Court find the Prisoner, Assistant Surgeon Jones, not guilty of the Charge No. 2, as the Letter in the opinion of the Court does not bear the construction put on it by the Prosecutor.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the Additional Charge marked No. 3, but in consideration of the Prisoner having made an apology to Major Hare, and Major Hare having given in evidence that had he received that apology in due time he would not have forwarded the Charge, the Court award no punishment.

The Court acquit the Prisoner, Assistant Surgeon Jones, of the Charge marked No. 4.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 1st Charge of No. 5, but not to the full extent, and in consequence of the Prisoner having been already repeatedly reprimanded by his Commanding Officer, the Court can award no punishment.

The Court acquit the Prisoner, Assistant Surgeon Jones, of the 2d Charge of No. 5.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 3d Charge No. 5, but not to the full extent.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of so much of the Charge No. 6, as implies disgraceful and ungentlemanlike conduct.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 1st Charge, No. 7, but acquit him of the 2d Charge.

The Court having found the Prisoner, Assistant Surgeon Jones, guilty in part of the 2d Charge No. 1, in part of the 1st Charge No. 5, in part of the 3d Charge No. 5, of the Charge No. 6, as far as implies disgraceful and ungentlemanlike conduct, and of the 1st Charge of No. 7, do therefore sentence the Prisoner, Assistant Surgeon Jones, 2d Battalion 19th Regiment, to lose twenty (20) steps, in the General List of Assistant Surgeons on the Presidency of Fort St. George, from his present situation in that List.

(Signed) J. WILSON, Capt. and Offg. Dep. Judge Advocate. — (Signed) J. H. DUNKIN, Lieut. Col. 34th Regt. President.

OPINION AND SENTENCE ON REVISION.—The Court having revised their Proceedings, adhere to the Opinion and Sentence passed on the Prisoner, Assistant Surgeon Jones, 2d Battalion 19th Regiment Native Infantry, at their Sitting of the 13th September, but in consequence of the parts of the Prisoner's defence which were deemed offensive or objectionable having been erased, the concluding observation, in the Sentence, on that defence, is no longer necessary or applicable, and it is therefore expunged.

(Signed) J. WILSON, Capt. and Offg. Dep. Judge Advocate. — (Signed) J. H. DUNKIN, Lieut. Col. 34th Regt. President.

APPROVED AND CONFIRMED.

On which Charges the Court have adjudged as follows.—That the Prisoner, Subadar Shaik Fuqueera, is not guilty of the first Charge, and do therefore acquit him thereof.

The Court acquit the Prisoner of the 2d Charge.

The Court finds the Prisoner not guilty of the third Charge, and the Court do therefore acquit him thereof.

And with regard to the fourth Charge, the Court find the Prisoner guilty, and do sentence him, the Prisoner Subadar Shaik Fuqueera, to be suspended from Rank and Pay for the space of three months.

The Commander of the Forces on attentively perusing the Proceedings of this General Court Martial on the 22d Instant, felt it his duty to direct them to be returned by the Deputy Adjutant General to the Officiating Deputy Judge Advocate, with a Letter explanatory of the grounds on which the Court were desired to revise their finding of acquittal on the first and second Charges, which accuse the Prisoner in substance with drunkenness, and making a disturbance at unseasonable hours in the encampment of the Battalion to which the Prisoner belongs.—The facts of such drunkenness and disturbance having been fully proved by the concurring testimony of five respectable witnesses, and whose evidence is in no respect shaken or disproved by the witnesses brought forward by the Prisoner on his defence.—These circumstances as particularly explained in the Deputy Adjutant General's Letter, the Lieutenant General had hoped would have induced the Court to determine on an adjudication more consistent with their public duty as Native Officers.—To the surprize of the Commander of the Forces, however, the Proceedings have been returned to him, the finding of the first and second Charges, being unaltered, but with an entry annexed, that the Court "adhere to their former opinion, with this exception, that "although they found the Prisoner Subadar Shaik Fuqueera not guilty of the first Charge, yet it was clearly "proved his having drank liquor, but not so much as to cause intoxication, and further the Court considering "the evidence in support of the 2d Charge, do not conceive the Prisoner Shaik Fuqueera made noise, which "could be termed a disturbance, but what he could not avoid from the pain he was in;" and the Court further beg leave to state, "that the cast to which Subadar Shaik Fuqueera belongs, is of such a description, that "it is not considered unlawful amongst them to drink in moderation;" and the Court "conceive their former "sentence of suspension from Rank and Pay for three months, an adequate punishment for the offence exhibited "in the 4th Charge."

The Commander of the Forces having duly weighed the reasoning adduced by the Court in support of their judgment on the Charges, is obliged to declare his dissent therefrom, for the reasons before referred to, as communicated to the Court; and considering that the Court has acquitted the Prisoner of the two heaviest Charges directly contrary to evidence, he cannot allow himself to be thought to sanction any part of their judgment, by approving the Sentence passed, on their finding the Prisoner guilty of the 4th Charge, which only followed as a consequence of the others; he therefore records his entire disapproval of the Finding and Sentence of the Court, and will lay the whole Proceedings and Correspondence thereon before His Excellency The Most Noble The Commander in Chief in India, for His Lordship's determination, if any further steps are necessary to be adopted towards the Native Officers composing the Court Martial, who have shewn themselves by passing a judgment as above stated, devoid of those feelings of regard to the discipline of the Service to which they have the honor to belong.

At the same Native General Court Martial, Jemadar Nunkoo Sing of the 10th Company 2d Ceylon Bengal Volunteer Battalion, was tried on the undermentioned Charges, viz.

1st.—For conduct highly disgraceful to the character of an Officer, in having between the hours of 10 o'clock P. M. of the 7th of February, and 2 o'clock A. M. of the 8th of February 1819, been in a state of intoxication, thereby setting a most pernicious example, and introducing a most baneful habit, hitherto almost unknown amongst the Native Troops of Bengal.

2d.—For conduct unbecoming an Officer, in causing a disturbance in the Lines of the 2d Ceylon Bengal Volunteer Battalion, between the hours of 10 o'clock P. M. of the 7th and 2 o'clock A. M. of the 8th February 1819.

3d.—For disobedience of orders and contempt of authority, in absenting himself from his Lines after the Roll Call at 8 P. M. of the 7th of February 1819, such conduct being subversive of all military discipline.

2d Ceylon Bengal Volunteer Battalion.

(COUNTERSIGNED.)
JAMES GARNER, Lt. Col.
Comg. 2d Ceylon Bengal Volunteer Battalion.

OPINION AND SENTENCE.—That the Prisoner Jemadar Nunkoo Sing, 10th Company 2d Ceylon Bengal Volunteer Battalion, is guilty of the whole, and every part of the Charges brought against him, and the same being in breach of the Articles of War, the Court do therefore sentence him, the Prisoner Jemadar Nunkoo Sing, 10th Company 2d Ceylon Bengal Volunteer Battalion, to be suspended from Rank and Pay for the space of eight months.

The Commander of the Forces approves and confirms the Finding and Sentence of the Court, and directs the suspension of Jemadar Nunkoo Sing from Rank and Pay for eight months from this date, to be carried into execution.

At the same time, the Lieutenant General cannot but remark, that the Sentence passed is inadequate as a punishment to the offences set forth in the Charges, aggravated as they were by the disgusting and infamous language proved to have been uttered by the Prisoner when under the influence of intoxication, and which sufficiently mark him to be a person unworthy to hold a Commission in the Honorable Company's Service.

The Proceedings in this Case will also be transmitted to be laid before His Excellency The Most Noble The Commander in Chief in India, for His Lordship's consideration.

The Commander of the Forces directs the Court to be assembled forthwith, in order that these his sentiments on their Proceedings may be explained by the Officiating Judge Advocate, through Lieutenant Winfield the Interpreter of the Court—when Subadar Shaick Fuqueera is to be released from arrest, and the Court dissolved.—The President and Members thereof proceeding without delay to join the Corps and Detachments to which they respectively belong.

The Commander in Chief esteems himself under high obligation to Lieutenant General Sir R. Brownrigg, Bart. G. C. B. for the disapprobation which His Excellency was pleased to express on the Proceedings of the Court Martial before which Subadar Shaik Fuqueera and Jemadar Nunkoo Sing of the 2d Battalion Ceylon Volunteers, were tried.

The Native Officers who composed that Court, are to be apprized of the astonishment and regret felt by the Commander in Chief that they should have been so little sensible to the honor of the Bengal Army, and to the necessity of checking with severity an example so pernicious for the Service, as to have awarded an utterly inadequate punishment upon Individuals found guilty of grossly discreditable conduct, His Lordship considers the Proceedings of the Court Martial, justly censured as they have been by His Excellency the Lieutenant General, to be null, and though in that view the Sentence will not affect Subadar Shaik Fuqueera, His Lordship does not regard the transgression of the Subadar as absolutely requiring the extreme measure of an exercise of the power vested in the Commander in Chief for dismissing Native Officers by his own authority, and His Lordship trusts that a serious reflection on the public discussion which he has incurred, will prevent Shaik Fuqueera from ever henceforth being betrayed into ebriety.

The beastly and execrable language, as well as the behaviour of Jemadar Nunkoo Sing, substantiated uncontradictedly by several witnesses before the Court Martial, render that Person totally unworthy of bearing the Honorable Company's Commission,—The Commander in Chief therefore directs Jemadar Nunkoo Sing to be dismissed from the Army.

REMARKS BY THE COMMANDING OFFICER OF THE FORCES.

Major General Bailie feels himself bound to express his disapprobation of the above Sentence.

It appears on the Proceedings that Conductor M'Ginness sought shelter from the severity of the weather in a Public Bungalow at Candalla previously occupied by Assistant Surgeon Dalgairns and another Gentleman, on being questioned who he was, he replied a Conductor of Ordnance travelling to Satarah, and put similar interrogatories to the Prosecutor, whose dress did not bespeak his being a Military Officer, &c.—there is strong presumptive proof that the Conductor was impressed with an erroneous idea of his Rank, which was rather confirmed than removed by the language used towards him by Assistant Surgeon Dalgairns.

Had Assistant Surgeon Dalgairns been dressed in uniform, which he latterly appeared to consider requisite, or evinced a more decided and less exceptionable deportment when accosted by the Conductor regarding his name, the Prisoner would have been left without excuse had he persisted in error or transgressed the bounds of propriety, but in all probability neither would have taken place, for it appears that he withdrew soon after Mr. Dalgairns put on his Regimental Shell, and the public time and attention of a General Court Martial would not have been taken up by the investigation of a Charge for which there would have existed no grounds.

For the foregoing reasons and the Court having likewise strongly recommended the Prisoner to mercy in consideration of his long and meritorious services, as well as excellent character, the Major General is pleased to remit the Sentence, and to direct that Conductor M'Ginness be released from arrest and ordered to return to his duty.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 1 *December* 1819.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, *30th October* 1819.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to establish the following Regulations for the formation, and for the conduct of Regimental and General Military Buzars.

2. Every Corps on the Establishment, European and Native, will be allowed a Regimental Buzar on the 1st of January 1820, and General Military Buzars will be formed at the same time at Bellary, Masulipatam, Cannanore, Arcot and Tricinnopoly, and at such other places as may be hereafter determined.

3. Buzars attached to Corps will be under the immediate controul of Officers Commanding, subject to the superior controul of Officers Commanding Stations and Divisions.—Sufficient ground will be allotted at every Station for the accommodation of the Buzar of each Corps, within the Military limits of the Cantonment or Station, and as near as may be practicable to the Barracks or Huts of the Troops. The Servants and Followers paid by Government are to be considered in the Adjutant's Department.

4. A Chowdry and two Peons will be attached to each Regimental Buzar, to be employed on Buzar duties only.—On no account shall the Chowdry be employed in making purchases for any Officer or other person.—As the Chowdries should always be found at their Post in the Buzar, it is desirable that they should not be sent for by Commanding Officers more than once a day, a particular hour being fixed for this purpose, except on extraordinary occasions, and that they shall not be detained longer than may be necessary to receive those orders.—Private Servants of Commanding Officers shall on no occasion be made the channel of orders to the Chowdries, or to any persons settled in the Buzars; and if any such private Servants should be found attempting to exert any authority or influence over the Chowdries or other Servants or People in the Buzar, they shall be liable to such punishment as may be legally awarded against them.

5. The Chowdries will make a daily report of the state of the Buzars, when they wait on Commanding Officers at the regulated hour; and on the 1st day of every month they will give in a state of the same in writing; while on the second day after the issue of Pay to Corps, the Chowdries will report whether any just dues have been withheld from the Buzarmen or others.—In regulating every question of this nature the provisions of Regulation A. D. must be constantly held in view, a copy of the same being entered in every Regimental Orderly Book.

6. The Pay of Chowdries is fixed at Rupees 14 per month, but in the Field or at Stations where Batta is allowed, they will receive in addition to their Pay, Batta at the rate of Annas 2 5 per day.—The Peons in the former case will receive Rupees 5 per month as Pay, and in the latter case Batta in addition thereto at the rate of Annas 1 3 per day.—These allowances are to be drawn in the General Abstracts of Corps, Acquittance Rolls being taken for the same, which are to be filed and registered in Buzar Books to be kept in future by the Adjutants of Corps.—The situation of Chowdries and Peons of Regimental Buzars will be filled up by Officers Commanding, who will be strictly responsible that fit persons are selected.—They will be mustered along with the Corps and included in the Returns the same as the Vakeels and Native Dressers.—In addition to these Servants a Bullock Maistry and a Cooly Maistry will be allowed to each Regimental Buzar; who will receive Rupees 7 per month as Pay, and Batta when allowed to the Corps at the rate of Annas 2 5 per day.—They are also to be appointed by Commanding Officers and paid and mustered as directed with regard to the other Servants of the Buzar.

7. The number of Shops to be opened in the Buzars of Corps will no doubt in time regulate itself; but in the first instance it will be necessary that Officers Commanding should limit them to such an extent as may be likely to enable their Owners to derive the means of subsistence.—The establishment of any beyond this amount, would probably occasion losses to the parties who come forward, and operate as a discouragement to others disposed to do so in future. Care must be taken, however, that the Shops should be of such a number as may admit of a proportion being sent with any Detachment, not less than a Company, or that the Owners of principal Shops should be prepared to provide such as may be required to accompany Detachments of the Corps.

8. Commanding Officers as far as may be consistent with these considerations, will accordingly encourage Buzarmen connected with the Sepoys of the Corps to settle in its Buzar in preference to Strangers, and countenance such relations of the Sepoys as may be disposed to open Shops in the Buzars.

9. It is of great consequence that the Buzarmen should be enabled to maintain, or make arrangements for providing when wanted, such Carriage Bullocks as may be necessary for the movement of their Shops at the earliest notice, and for the conveyance of four or five days supplies for the Corps, when ordered to march.—The Buzarmen will in most situations find it to be their interest to maintain the cattle at all times, that they may employ them in bringing supplies for the consumption of the Buzars; but at all events the Commanding Officer should ascertain that the Buzarmen have the means of procuring the cattle when the Corps or a Detachment of it not less than one Company, may be ordered to march.

10. Buzarmen are prohibited from giving credit to the Sepoys beyond a month's Pay; and all debts incurred in any one month either by the Troops or Followers of the Corps, must be settled at the next issue of Pay.—They are also prohibited from giving any credit whatever to the Sepoys or Followers of other Corps, on pain of forfeiting the debt on being discovered.—All Officers will be responsible that any debts incurred by their Servants shall be settled and paid on the first issue of Pay after such debts may have been contracted; it being understood, however, that such debts are strictly confined to the daily supplies of common Buzar articles.

11. All articles of consumption will be allowed to be sold in Regimental Buzars, with exception of such as may be prohibited by the Revenue Regulations of the District, extracts of which will be communicated to Officers Commanding Stations by the Collectors.—In the Field, beyond the frontier, the prohibited articles will be made known in the Public Orders of the Army or Detachment, to which the Corps may be attached.

12. No tax or duty is to be levied under any pretence whatever in Military Buzars; this prohibition, however, not affecting the town duties or customs, levied on account of Government by the Collectors of Revenue on articles proceeding into Military Buzars situated within the limits, in which such duties or customs are collected under the Regulations of Government.

13. It being for the mutual interest and advantage of all parties, to attach by every practicable means, as many people to the Buzars of Corps as can find occupation, and demand for their services, it is presumed that no particular injunctions are required to promote so beneficial an arrangement combining public advantage and private convenience.—To ensure, however, this most important object, Officers Commanding Corps, their Officers, and Men, must be fully aware that an efficient Buzar cannot be maintained unless they deal with their own Buzar people in all situations, as well when at large Stations where there may be a choice of markets, as in detached and remote situations.

No. 1. 14. All Buzarmen are to be registered according to the Form annexed No. 1, and are never to go from one Buzar to establish themselves in another, without a regular discharge.—
No. 2. And a Quarterly Return of the Buzar according to the annexed Form No. 2, will be made by Officers Commanding to the Commissary General of the Army, viz. on the 1st of February, 1st of May, 1st of August, and 1st of November.

15.—With the view of enabling Commanding Officers to give effectual encouragement to these Followers, advances of Cash are authorized on account of the persons who provide for the wants of the Sepoys and the Followers of the Battalion to the extent hereafter provided—the written requisition of Commanding Officers respectively addressed to Paymasters, accompanied by a sanction for the measure from Head Quarters, being the authority on which the Military Auditor General, to whom applications are to be made for that purpose, is to direct the issue of the advances.

16. As soon as the ground has been allotted to Regimental Buzars at fixed Stations within the frontier, a sum not exceeding Rupees 1,000, will be advanced from the Pay Department, if required, upon Receipt, to Officers Commanding Corps, including the Horse Artillery, each of His Majesty's Regiments of Light Dragoons and each Regiment of Native Cavalry, each Battalion of Artillery, His Majesty's Regiments of Foot, the Honorable Company's European Regiment, the Rifle Corps, and each Battalion of Native Infantry,—the sums so issued to be entered by Paymasters in their Monthly Accounts Current under the head of Lieutenant Colonel A. B.—or Officer Commanding the Battalion Regiment N. I. and to be issued by Commanding Officers as a loan to the Banyans and Butchers, on such security, as the Commanding Officers may consider adequate.

17. These advances will be repaid in six monthly instalments, to commence four months after the advances are made; and no additional advance, beyond Rupees 1,000—is to be made (except on the occasions provided for in the 20th Para.) until the former has been accounted for,—the unpaid instalments to be invariably noted on Certificates of last Pay, as directed in G. O. dated 29th March 1816.

18. On receiving the first instalments the Commanding Officer will pay the same into the hands of the Paymaster on the spot, or in the range in which the Corps may then be placed, who will grant a Receipt to the following effect.

" I do hereby acknowledge to have received from Lieut. Colonel A. B. Commanding
" the sum of Rupees, being on account of a Receipt, stated to have
" been granted by him (*or by here entering the name of the Officer, who*
" *granted the Receipt*) to Captain C. D. Military Paymaster at for 500 Rupees
" to be advanced to the Buzars of the Battalion Regt. N. I."

and the same process to be followed, until the whole amount is recovered.

19. On the Receipts for such repayments being transmitted by Paymasters to the Accountant General in the Military Pay Department, that Officer, will endorse the amount on the original Receipt in his possession; and when the whole amount has been accounted for, in like manner the Accountant General will close the account in his Office, and return the Receipt remaining in his hands to the Officers Commanding the Corps concerned.

20. It will rest with the Officers themselves to set up Bakers, Milk and Buttermen, &c. by making them advances which perhaps will only be required in the first instance, as by proper encouragement from the Corps, these persons will by degrees acquire sufficient capital of their own, to be able to carry on their trade without any such assistance—on taking the Field, however, beyond the frontier, small advances of money may be made by Commanding Officers to these Followers in common with others, and an additional advance will be made by Paymasters in such cases of Rupees 500 on account of the Buzar at large, to be obtained and accounted for, in the manner described in the 15th Paragraph.

21. When Corps are ordered to march from one Station to another or upon Field Service, having no Commissariat Officer attached, Officers Commanding will put up for sale the contract for the sale of Arrack during the march. The same general rules for the conduct of this branch will apply to Camp Buzars within, or without the Company's dominions, will be applicable to Regimental Buzars; the proceeds of such contracts, however, being made over to the Officer of the Commissariat at the Station to which the Corps may be proceeding after the march is over, with a copy of the contract. The Commissariat Officer will grant his Receipt for the amount
No. 3. in duplicate and in the annexed Form No. 3, one copy of which is required to be forwarded to the Commissary General, and the other to remain with the Officer Commanding, to be filed and entered in the Books already mentioned. The Officer of the Commissariat receiving this money, will remit the same to the Commissary General, to be accounted for by him, with the proceeds of other Military Buzars.

22. Every Man residing in the Buzars of Corps whether for the purpose of vending buzar articles, or serving the Troops, shall have his name regularly entered in a Monthly Register to be given in on the first of every month by the Chowdry to the Officer Commanding, to be filed in the File Book to be kept by the Adjutant, as alluded to in the 5th Paragraph of this Order, a translation being entered at length in another Book after the copies of the Register of the Buzar Servants.

23. Every Regimental Buzar when marching or in the field, shall be designated by a White Flag having the number of the Corps and Battalion expressed on it in large characters by means of Cloth of a dark colour.—The Flag Staff to be 24 feet in height, and it shall be the duty of the Buzar Peons to carry it on the march, and to pitch it on the ground allotted to the Buzar.

24. The further Regulations for Regimental Buzars when incorporated with *Station* and *Camp Buzars*, will be found in the following part of this Order.

25. General Military Buzars will be established at Bellary, Masulipatam, Cannanore, Arcot, and Trichinopoly, and will be conducted under the following general rules.

26. Each of these Buzars shall be under the immediate charge of an Officer of the Commissariat, who will have particular cognizance of all the supplies.—The establishments of Servants will be under his immediate direction, and appointed and paid in the same manner as the other Servants of the Commissariat.—All orders or matters of police, will of course originate with Officers Commanding, who are hereby ordered to be guided by the Regulation — A. D. — in controuling this branch of the Department of General Military Buzars.

27. Each of these Buzars shall be provided with

1 Cutwall,
1 2d do.
1 English Writer,
2 Mooteseddies,
1 Measuring Man, and such a number of Choudries, Deyloyts,

and Dundiahs, as may be found to be necessary for carrying on the duties of the Buzars.—The Badges and Belts to be worn by the Buzar Servants, to be determined on by the Commissary General, and the expense of the same to be adjusted from the same fund as the people themselves are to receive their Pay.

28. An outline of orders for the interior regulation of the police details of these Buzars, will in the first instance be communicated to Officers Commanding, by Government, and such alterations on the same, as may appear by experience to be necessary, will be taken into consideration when referred to Government.

29. It is of importance that the Commissary General, already at the head of the Department of Military Buzars, should be minutely informed, of the resources of all General Military Buzars, and he will of course give such orders as he may think proper for this purpose to the Officers of his Department in immediate charge of the same.—But the Commissary General is also at liberty to correspond on all subjects connected with the supplies of Buzars, and the resources of the same, with Officers Commanding Divisions and Stations, who will give him every assistance in their power, in rendering these Buzars as efficient as possible, whether he may require such assistance when upon the spot, or at a distance.—Commanding Officers will also give effect to the orders of the Commissary General for the movement of any part of the General Military Buzars at their respective Stations, when required for Troops in the Field; whether such Troops form or not, a part of the Force, under their immediate Command.

30. The limits of these Buzars will be fixed on and defined by the Quarter Master General of the Army, under the orders of His Excellency the Commander in Chief; and although it may happen that the Buzars of Corps, may not be always within these limits, the same rules which apply to the controul of the General Buzar will be equally applicable to all Regimental ones at the same Station; and the Chowdries of Regimental Buzars will promptly obey all orders received from the Officer in charge of the General Buzars through the Cutwall, concerning supplies, reporting the same to their Commanding Officers respectively.—The same rule will be applicable to Regimental Buzars in Camp; and in either case, the Officer in charge will be at liberty at any time to call on the Chowdries through the Head Cutwall for a return of their respective Buzars.

31. No house or ground rent shall be levied from any persons allowed to establish themselves in any Military Buzar, under the conditions of the Regulation — A. D. — and though no duties shall be allowed to be levied in these Buzars, all authorized articles proceeding for their consumption will be liable to the same duties and customs which are leviable by the Officers of Government in the Revenue Department in the Company's territory.

32. The exaction of fees of every description in money or kind, from Buzarmen or from people bringing in supplies, is strictly prohibited.—Cutwalls have no authority to stop Dealers, &c. at the Choultry, under the pretence of examining the quality of their goods, the payment of nuzzers, &c. to Cutwalls, or any other Buzar Servants on their marriages, feast days, or on any other pretence whatever, is also prohibited; and any infringement of these rules will be severely punished.

33. All public business shall be performed in the Public Offices; and the Cutwalls or other Buzar Servants are on no pretence whatever, to be allowed to call the Buzarmen to their private places of residence; nor are they by way of parade or increasing their suit to be permitted to have parties or crowds of Buzarmen, following them through the Buzars.

34. After ground is once allotted for Shops or Pauls in the Buzar, the holders of such ground are not on any account whatever to be liable to removal to any other part of the Buzar; but in the event of casualties, the Officer in charge of the Buzars will allow the Heirs to establish themselves on the same site, and in the same line of business, provided they maintain their Shops in a state of efficiency.—If there be no such Heirs, and if the site be one much desired, the Officer in charge of the Buzars will be allowed to allot it to one of the old Buzarmen of the greatest claims; provided always he belongs to that description of trade, to which the site had before been allotted.

35. Officers Commanding and the Officers of the Commissariat will see that the Buzarmen make sufficient arrangements for having always at their command, such cattle as may be necessary for the movement of the Buzar.

36. The extent of the advances to be made to the Dealers in General Military Buzars when ordered to march will altogether depend upon the nature of the service upon which the Troops to whom they are attached, are likely to be employed; and will be made by the Officer of the Commissariat in charge under the instructions of the Commissary General.—Good security must be taken for the repayment of the advances within a stated period not exceeding four months, when the amount will be reported to Government, by the Commissary General, and entered in a Buzar Suspense Account, to be kept in future by the Commissary General.—Credit will be taken for such advances in the General Accounts Current of the Commissariat, when approved of by Government; and credit given in the same accounts for all sums recovered from the parties who received the advances in the first instance.

37. A fixed number of Arrack Shops, to be regulated by the Officer in charge of the Buzar with the concurrence of the Officer Commanding, will be allowed to be established in every General Military Buzar, the sale of the Arrack being conducted under an exclusive contract, subject to the following general rules, viz.

1st. No Arrack shall be sold directly or indirectly to any European Man or Woman.

2dly. No Arrack shall be allowed to be carried away without a special Pass signed by the Commanding Officer and for the purposes hereafter described ; and all the rest that is sold must be drank on the spot.

3dly. No Native shall be allowed to drink to excess, so as to become intoxicated.

4thly. The Contractor to be answerable that no Spirits are sold but at the established Shops, and that no Strangers be permitted to introduce Spirits into the Buzars.

5thly. The retail price at the Shops is never to be lower than that of the Public Revenue Contractor at the same Station.

6thly. No European will be allowed to hold the contract for the sale of Spirits in Military Buzars, nor shall the Public Revenue Contractor be eligible to hold it.

7thly. Arrack allowed to be carried away from the Shops under the Passes of the Commanding Officer, is limited to one bottle ; and this indulgence is only to be granted when the Spirits may be required for sick persons, or to respectable Native families for their own consumption.

8thly. Not more than one Shop will ever be allowed in Regimental Buzars, to which the operation of the contract may extend under the above rules.

9thly. Officers requiring Arrack for their Servants, Horses, &c. to be allowed to procure it on regulated Passes, signed by themselves and by the Commanding Officer ; the purpose for which it is wanted being specified in the Passes.

10thly. Any infringement of these rules will subject the Contractor on conviction to a fine not exceeding one day's rent of his contract, and he must be bound for the payment of the same by the terms of his contract.

11thly. Such establishment of Dayloyts and Dundiahs as the Arrack Contractors may require for carrying on their duties, must be paid by themselves ; but their number, and their names and persons must be accurately known to the Officer in charge of the Buzars, who will provide them with Belts and Badges, to be returned by the Contractor at the expiration of his contract, unless it shall be renewed by him, when next disposed of.—This rule is also to be strictly attended to in future, in all Camp Buzars.

38. Proposals for renting these contracts will be invited by beat of Tom Tom, and they will be transmitted by the Commissariat Officer as received, to the Commissary General, with a Report specifying the offer which he may deem the most eligible, as well as the grounds of such opinion, when it will rest with the Commissary General to determine which of the proposals should be accepted, agreeably to the mode which already obtains in Camp Buzars.—Circumstances may sometimes occur to render it necessary to make an Amauny arrangement for the conduct of the sales of Arrack in General Buzars, and in such cases the Officers of the Commissariat will receive special orders from the Commissary General ; and all arrangements in General Buzars having reference to this object, will extend to every Regimental Buzar on the spot.

39. From the proceeds of the Arrack Contract the Commissariat will defray all the expenses of the Buzars, including such as attend the maintenance of all persons in confinement in the Cutwall's Choultry, and the balance will be remitted as already ordered in the 4th Paragraph of the 10th Section of the Commissariat Regulations, with the exception of Receipts in place of Bills, being obtained from the Paymaster.

40. Camp and other Military Buzars already formed will continue to be conducted agreeably to the 10th Section of the Commissariat Regulations, the scope and tenor, however, of the preceding orders and the Civil Regulation A. D. being made generally applicable to them ; and any exceptions that may be deemed necessary will be intimated in special instructions to Officers Commanding.
